## **ATTENTION RESIDENTS**

There are only two phone lines on the guest authorization system. This is an improvement over the previous system which only had one. In spite of the extra line, you may get a busy signal, particularly on busy mornings like Monday through Wednesday. Be patient and call again after waiting a minute or two. If you are unable to reach the system after multiple tries, you can call the office or the Clubhouse guard. DO NOT go over to the Guardhouse yourself.

## **GUEST AUTHORIZATION**

Please remember that all guests must be called in, or on your guest list to gain entry to the community. Calling the guest authorization system requires that the phone number your are calling from is registered in our database in order to avoid the requirement to enter your phone number and security code when using that system. Anytime you change a phone number, be certain the call the office and update the number on record.

# MESSAGE | BOARD OF DIRECTORS

MESSAGE- LOD PRESIDENT BOB BERGER | LOD CLUBHOUSE | CAFÉ LOD-BISTRO-SPORTS| BBQ AREA GUIDELINES

## LOD President's Message

By: Bob Berger

The Board of Directors want to welcome back our snowbirds. The pool deck construction has been completed and the new spa, the new lights and the new pavers look fantastic.

We are planning an extraordinary party to celebrate the completion of the construction and we are calling this our "Grand Reopening Party" which will be held on Friday night December 13th from 5 PM to 8:30 PM. We have ordered food for six hundred, and the food will be free to our residents. Several of our usual Café LOD volunteers said they want to enjoy the party and the band and they want to swim because we now have night swimming approved. So instead of grilling and holding a regular Café LOD, we have ordered twenty-two six-foot heroes. You will have a choice of Italian, American, Grilled Chicken with fresh mozzarella, tuna, and veggie. We will also have ten high school students who need community service to put on their college applications who will serve the hot and cold hors d'oeuvres and help with serving the sandwiches. We have hired two lifeguards and we will have two security guards, one at each entrance to the pool. The hors d'oeuvres will be served from 5 PM to 6 PM and we will start to serve the sandwiches at 6 PM.

We have hired Becky Weinberg's band to play that night. This will be the third time they have played on the pool deck but this will be the first time we will be having free non-Café LOD food served and nighttime swimming during the party. The band will play from 5 PM until 8 PM. I look forward to seeing you at the party.

Additionally, our annual holiday party will be held in the clubhouse ballroom on Wednesday December 18<sup>th</sup>. The committee has been working hard on the program and in addition to the usual celebration presentations for Christmas, Chanukah, and Kwanza we have secured an appearance of a choir from a local elementary school. And of course, we will continue our holiday party tradition of serving cookies, candy, and the extremely popular potato latkes. The Board of Directors looks forward to celebrating the holidays with our residents.

## Café LOD, Bistro, Sports

By: Robin Warner

**Café LOD/Bistro-** There will be a Café LOD on December 26th. Hamburgers, Hotdogs, Knishes and more. Free Hotdogs for kids only. The Bistro will once again be open for pre-show Pastries, Cookies, Coffee and more from 6:30 - 7:30 before the Cher Show on December 15th.

**LOD Sports-** Our first Tennis/Pickleball meeting of the season will be December 4th at 10am in the large card room. Bagels and fruit will be served. We are starting to get our Winter teams lined up for League play. We will possibly have 14 teams representing LOD in four different leagues.

## Clubhouse

By: Ed Simon

Amanda created a Volunteer Roundup Breakfast a few weeks ago to enlist possible volunteers for things like Bingo and Café LOD. At that event, 16 people put their name in for the Clubhouse Committee. At our recent agenda meeting, it was decided that the addition to the committee needs to be limited to 5 residents. We will devise a process to narrow down the selection which will occur soon. Upon filling out the committee with the new members, we will schedule a walk-through to better familiarize everyone with the proposed updates. This will be the first step in the refinement of our plan. We will schedule regular meetings and develop reports for the board. At some point in the not to distant future, it will be necessary to contract with D&B Interiors in order to enable them to proceed with the work necessary to provide us with our final working budget numbers for each element of the project. We are also developing a schedule of tasks and milestones to keep the project on track.

## Barbecue Area Guidelines

**Now that use of the BBQ area is available once again, the following guidelines must be followed.**

- Use of a BBQ without a reservation and permit is not allowed. Reservations and permits for groups of 10 or less must be obtained from the clubhouse guard. BBQs are reserved for 1 hour.
- Reserved BBQ parties are available for residents and their guests, Monday-Friday during posted pool hours, for parties of 10 or more. Reservations, permits, instructions and guidelines can be obtained in the LOD office. A \$25 cleanup deposit is required for reserved parties.
- Clean up is required of all residents.
- No glass containers or alcoholic beverages are permitted on the entire pool deck including the BBQ area.. This includes but not limited to: glass pot covers, casserole dishes, coffee makers, ceramic mugs, dishes, or crock pots. **NO GLASS.**
- Trash removal is the residents' responsibility.
- Please be courteous to other residents using the area.
- BBQ operating instructions are available in the LOD office as well as posted in the grill area.

C.O.P. AT LOD | WE CARE RENTALS | ATTEND OUR PRESIDENT'S FORUM | ENTERTAINMENT SALES SCHEDULE

## C.O.P.

By: Lt. Hal Scherzer

Eight plus years ago when I came from Pennsylvania to look for a place in Florida my realtor took us to the Lakes of Delray. The first thing that I noticed was a sheriff volunteer police car parked in the club house parking lot. I asked the realtor something like "what is that car doing here?" He replied that it was stationed here for our safety. This helped convince us to move to LOD.

Do you want to be part of this? If so please call me, Lieutenant Hal Scherzer, 267-481-0190 or Captain Sheldon Lyman, 561-714-5710 with your questions. It is a worthwhile endeavor. The cops also have bicycle, marine, parking enforcement, airport security, dispatchers, traffic control, and honor guard units.

## We Care

By: Meryl Gordon

It is very easy to request equipment; simply see the guard upstairs in the Clubhouse. The same is true for returning the equipment. Items can be borrowed for ninety (90) days. The equipment availability varies from day to day so should what you need not be available today, you can always keep checking.

If you've borrowed something and don't need it as long as you thought, return it sooner. If you've borrowed something and haven't returned it in a timely manner (or not at all), please do so now. If you have something to donate, bring it to the Clubhouse.

### Available for Loan are:

- Wheelchairs
- Walkers
- Transport Chairs
- Canes/Crutches
- Knee Walkers
- Rollators (those with a seat).

**We are LOD and "We Care"!**

## Dog Decorum: Tips for Dog Owners

### Always Pick Up After Your Dog:

Picking up waste from your dog is by far the #1 dog etiquette rule, because dogs' waste can spread disease, is harmful to the environment, and not picking it up is just plain gross. Don't aggravate other dog owners or neighbors walking outside – pick it up and toss it away in your HOA dumpster. If your dog has an accident in the catwalk, elevator or common walking path, it is your job to clean it up.

### Control Their Barking:

There is no bigger pet peeve for your neighbors than a dog that barks uncontrollably. Usually this occurs when someone knocks on the door, or they hear someone in the hallway that startles them. But barking can also happen when you're away, because they're sad, bored, or just miss you. If you have received noise complaints from neighbors, take it seriously and figure out what is causing your dog to bark.

### Keep Them on a Short Leash in the Community and in Your Condo Building:

I love my dog, you love your dog; but not everyone in the LOD is a dog lover. Residents may be afraid, allergic or just don't like dogs. Keeping your dog on a leash (preferably a short one) is the courteous thing to do, but it is also the law in Palm Beach County. It's also important when coming into entryways, catwalks, common areas, and elevators that your leash is short (i.e. 3- 4 feet) and that you don't let your dog charge into spaces or jump on residents. **No retractable leashes only 5 foot maximum.** Not every dog wants to meet your dog. When you are in a situation where you cannot avoid other dogs, ensure your leash is kept short. That way no interactions between dogs can happen. If a dog happens to show that he wants space, the best thing to do is keep moving past the dog. Stopping and allowing your dog to fixate will only make the situation worse. If you know other dog owners who have dogs that are friendly and they like to meet: that is great!

### Play by the "Common Area" Rules:

LOD has common areas which are shared spaces where both residents and dogs interact. It's not a personal playground, so play by the rules of the condo and be a good neighbor. When walking around the community counterclockwise, your dog should be on your right side along the grass (common area). The grass area and tall hedges on your left (in front of the condo parking lots) are private property. It's dangerous to walk your dog along the tall hedges because aside to being exposed to pesticides, they may end up in a fight with a wild goose, squirrel, or raccoon. **NO ESA dogs on the pool deck.**

### Avoid Wandering:

Always keep an eye on your dog to make sure they don't wander or run onto private property. As you walk them, keep them close to you, especially when you are talking on your cell phone.

**Just a Friendly Reminder - The Lakes of Delray is a NO Pet Community: All Service and ESA dogs must be registered with the LOD Property Management Office prior to entry into the premises. Dog owners must provide to the Property Manager the following documents (required by Florida State law): Florida Mental Health Care provider prescription/letter for the ESA dog or certification/letter qualifying the service dog, Palm Beach County dog license along with current rabies vaccination paperwork. Dogs without these qualifying documents may be treated as a pet for purposes of LOD policies**

## WELCOME TO THE LAKES OF DELRAY MEET AND GREET

Congratulations on choosing Lakes of Delray as your new home.

Whether you are an owner or a renter, you will find LOD to be a great place to live with numerous activities to keep you busy. To help everyone acclimate to your new homes and become aware of the myriads of activities the Lakes has to offer, the Board of Directors invites you to a Meet and Greet at which several board members, our property manager, and our wonderful community volunteers will give you an introduction and brief history of the Lakes and a detailed overview of our activities.

The Meet and Greet will be offered quarterly on the third Wednesday of the month at 10:30 AM in the Small Card room in our upstairs Clubhouse.

The next meeting is **Wednesday, January 15, 2025**

The sessions usually last an hour or so. We will be serving a Continental breakfast at the meeting and will include a tour of our Clubhouse and pool area at the end of the meeting.

**Please RSVP David Passman 917-543-6661 at least three days before the event.**

We look forward to meeting you and hope you can join us.

# LOD Board Meeting Minutes

## LAKES OF DELRAY, INC.

### BOARD OF DIRECTOR'S MEETING

Wednesday, November 13th, 2024

#### MINUTES

On Wednesday, the Lakes of Delray, Inc. held its Board of Directors' Meeting at 15055 Lakes of Delray Boulevard, Delray Beach, Florida 33484. Present were President Bob Berger, 1st Vice President Ed Simon 2nd Vice President Dave Passman, Treasurer Lonnie Aronson, Secretary Jessica Krulfeifer, Director Jayne Weiss, Director Robin Warner, Director Harry Brudka, Director John Callanan, Community Manager Ron Nolan, and Maintenance Supervisor Anthony Napoli.

#### All Present

The meeting was called to order at 10:00 a.m. by Bob Berger, who then led the attendees in the Pledge of Allegiance. The secretary Jessica Krulfeifer declared that a quorum exists.

Verification of the Associations not present: Ashland G, Pembroke G, Pembroke H and Witney B.

President Bob Berger moved to approve the minutes of the October 10, 2024, meeting, seconds.

#### CORRESPONDENCE: Jessica Krulfeifer

Paul Chase, WAT A, a compliment to the board of the bus service. They took the bus from our community to the tri-rail to Miami, terrific and inexpensive.

#### PRESIDENT Bob Berger

1. Construction update. The spa is completed but has not yet opened. We have passed the Board of Health inspection, and we are waiting for the final electrical inspection and the final Building inspection. We will announce a short ribbon-cutting ceremony in an email blast when we open the spa, The board will hold the ribbon, and I will cut it and go into the spa. Anthony will turn the spa on and hopefully, I do not get electrocuted. The barbecue area should be back up and running shortly. We will be publishing the barbecue rules in an email blast for those of you who moved in here after the area was closed for construction and as a reminder for everyone else. Jessica will review those rules during her report, including the very strict rules about no glass on the pool deck and the definition of glass, which based on past incidents needs a lot of explanation. I told the story at the September Board meeting of someone bringing in a glass vase with flowers to give to someone on the pool deck and I informed him that no glass is permitted on the pool deck he told me, "This is not glass, it is a vase"! The definition of glass needs some clarification. The paver project is moving along on schedule and so far, the comments have all been very positive. The pool deck is going to look fantastic when it is completed. We have approximately another two weeks before the paver project is completed. I thank all of you for obeying the barricades and Anthony will continue to move

them around the pool deck as the work progresses and the furniture is now being put back into place on the far side of the pool deck including the covered area.

2. We are working extremely hard to make the grand reopening party on Friday night December 13th an incredibly fun event. We changed the menu for the grand reopening party. We could not get enough volunteers to cook and work for a large Café LOD. There is the possibility of having as many as 600 residents attending that party and we have ordered food for 600. Many usual Café LOD volunteers said they wanted to enjoy the party and the band, and they wanted to swim. So instead of grilling and holding a regular Café LOD, we have ordered 22 six-foot heroes. We will have Italian, American, and Grilled Chicken with fresh mozzarella, tuna, and veggie. We will have 10 high school students who need community service to put on their college applications to serve the hot and cold hors d'oeuvres and help with serving the sandwiches. We have hired two lifeguards, and we will have two security guards, one at each entrance to the pool. The hors d'oeuvres will be served from 5 PM to 6 PM and we will start to serve the sandwiches at 6 PM. The food and the band will be free.

3. The band will start playing at 5 PM and they will do three sets and end sometime just after 8 PM. Let's talk about the band. As you are aware we have hired Becky Weinberg's band to play that night. This will be the third time they have played on the pool deck, but this will be the first time we will be having free non-Café LOD food served and nighttime swimming during the party. I have mentioned that Becky Weinberg is married to a member of the Rock and Roll Hall of Fame who is the drummer in Bruce Springsteen's East Street Band, Max Weinberg. As I mentioned at last month's Board meeting when I last saw Max in August, I asked him if he ever had sat in with Becky's band and he told me yes, he has and he plans on being here for her performance if his schedule permits. The last time Becky was here, Max was supposed to be here, but he got called away the night before to go shoot a commercial with his son Jay, who is also a drummer, and he did not show up. We probably are not going to know if Max will be here until the day of the party, but it would be fantastic if he was indeed here that night. It is not every day that we have a member of the Rock and Roll Hall of Fame come to the Lakes of Delray. For those of you who have no idea who Max Weinberg is please let me enlighten you. Max is a fantastic drummer and here is Max doing a drum solo in a recent Springsteen concert on a song called "East Street Shuffle". Besides being the drummer in Bruce Springsteen's East Street Band, Max became the drummer on Conan O'Brien's show during the years Springsteen broke up the East Street Band and he went solo on some very bad advice from Sting in 1989. Sting, Springsteen, and Tracy Chapman toured Africa in 1988. Sting convinced Springsteen during that tour that he did not need the East Street Band, and he should go solo. Springsteen's fans were not thrilled with that decision and when Bruce reunited the East Street Band back together in the late 1990's Max left Conan and returned to play →

**PRESIDENT: Bob Berger (cont'd):**

with Bruce. Here is a short video of Max's last show with Conan. Some of you may have seen Max downtown where he runs "The Max Weinberg Juke Box" where audience members choose songs for his band to play from a list of 250 songs that are scrolling on a screen. Max also appeared as a voice in several episodes of The Simpsons in 2013 and he appeared in several episodes of the modern Hawaii Five-O from 2013 to 2017 over the past two years he has appeared as a mobster in the TV show Blue Bloods. Max and Becky live in Delray Beach and Max is a member of the Delray Beach Planning Commission. Max was inducted into the Rock and Roll Hall of Fame in 2014 along with the rest of the East Street Band. Bruce Springsteen had already been inducted into the Rock and Roll Hall of Fame back in 1999. Here is a small part of the speech by Bruce Springsteen introducing Max Weinberg into the Rock and Roll Hall of Fame. The next video is a short part of Max Weinberg's speech at his Rock and Roll Hall of Fame introduction, and you will see Becky crying in the audience and you will feel the love Max has for Becky. When Becky is here performing, she will not cry. Both Becky and Mark Begelman, who is the bass player who runs Becky's band, have told me that Lakes of Delray is their favorite place to play. They told me that our residents are so very friendly, and they love interacting with us and we have the largest crowd that they play in front of. They usually play in small dive bars. Here are a couple of videos from Becky's last appearance here. and here is a video of one of our quieter, subdued, shy, and restrained residents who only comes out of his shell when Becky is here. Here is a video of that resident enjoying the part of the concert where the band gives out plastic instruments and holds an air guitar contest. I need to tell everyone that Mark Begelman, who runs the band, owns a recording studio in Deerfield Beach where many top bands rehearse, and record and he brings his professional sound system with him and the band will be very loud. They are the only band we permit to play at that volume that can be heard throughout the community. If you do not like loud music, I am sorry, but once every two years we bring this band in, and as you can see from the videos everyone who attends the performance loves them. I did get one nasty unsigned letter after the last time that they were here, and it said, "I know they are friends of big Bobby Berger, but we could not eat our dinner because of the noise, and we could not sleep". The band stopped playing at 8:15 PM that night. For one night we ask everyone who does not like loud classic rock music to tolerate the sound. Most of our residents thoroughly enjoy the music this band plays. So, I cannot guarantee that Max Weinberg will be here, but I can guarantee that everyone will have a great time, and I can guarantee that at least one person in this photo will be here. I look forward to seeing all of you at the party on December 13th.

4. We started to investigate a way to get more shade on the pool deck. Ron has done some preliminary work on an alternative to a cantilever type of umbrella. These umbrellas have a small base as compared to a cantilever umbrella and they would be secured into the pool deck and not be movable. Ron has drawn a preliminary map as to where these umbrellas should be placed to get the maximum amount of shade on the pool deck where it is needed. This is all very preliminary and more research is needed before we can decide on these umbrellas or the more traditional cantilever umbrellas, but we are looking to install one or the other and the Board realizes that we need to provide more shade on the pool deck.

5. We have a problem in that some of the 450 upright chairs on the pool deck are starting to show wear and the slings will soon need to start to be replaced. The main pool deck furniture was purchased in 2017, and we were told at the time that the slings would last about 5 years and we have gotten 7 years wear from the upright chairs. Last year we installed new slings on all the 110 lounge chairs. The problem is that the material we use is no longer available. We brought up everything available last year and I believe Anthony told me that there is enough material left to redo about only 10 chairs. We are leaning towards using the color material that we use at the satellite pools, but the pool committee will have to meet on this and report back to the Board with a recommendation. Anthony has some other samples of material on his desk that the committee will review and then make a recommendation to the Board.

6. We have the draft of the new bus contract and the cost per door increase is 7 cents a month.

7. After the meeting the Board will meet to vote for the Board positions and John Callanan will join the Board at that time. We look forward to working with John. The election results will be sent to you in an email blast later today.

**TREASURER REPORT: Lonnie Aronson**

We had an operating income of \$223,000 for October, with expenses of \$157,000, leaving a net of \$66,000. Reserve balance \$898,0000.

**CAPITAL CONTRIBUTIONS : Lonnie Aronson**

Our total capital contribution year to date is \$324,000.00

**ENTERTAINMENT: Lonnie Aronson**

On November 1st we had our dinner and movie event, and we all got to watch Caddy Shack, I forgot how funny it was. I want to thank Nancy Cullum for providing cookies and sweets for everyone, that put the finishing touch on the night. Thank you.

**GROUNDS: Dave Passman**

Ron and I took a ride around to look at some of the landscape areas. In the front gate area by the Vitas Hospice building the trees and vegetation have all been cut back. It does not look that great right now but soon it will grow and look a lot better.

**COMMUNITY AFFAIRS: Dave Passman**

The Alliance meeting was tranquil and short. People must be listening because the number of vehicles stolen has gone down 49% in the year to date. Crime is down overall by 50% and accidents are down 5%. People are locking their cars and taking their fobs. The sheriff's department reported that the latest scam is in parking lots. Please ask for help, people bump into you and leave contaminated flash drives on the floor of your car or in the area. If something strange happens in the parking lot, please be wary. Fire rescue reported 3000 calls for October and most of them were to Unit #45, which is our area.

The tax collector's office has purchased four acres in the agriculture reserve to build a new tax and driver's license center. There are questions about why we need a new center. Did the tax collector's office follow all procedures?

**CLUBHOUSE ACCESS PROJECT: Dave Passman**

With Ron's assistance, Lonnie and I are continuing our search to find the best elevator for our needs at the Clubhouse. It is not as simple a process as we thought. There are pros and cons for all these units. We hope to decide in the next 60 to 90 days.

**CLUBHOUSE/FITNESS CENTER:** Ed Simon

About a month ago, Amanda created a volunteer round-up breakfast to introduce people to committees like Bingo and Café LOD. 16 people showed interest and put their names in for the Clubhouse. Since then, four have decided not to commit, and three never responded. We will be favoring those who have a background in design. We will be doing a walk-through to refine the original plan.

**POOL/BBQ:** Jessica Krulfeifer

The new pavers on the pool deck are beautiful, and we would like to reiterate that there is no dragging of pool chairs across the pool deck. The LOD staff works very hard to keep the chairs and tables in place on the pool deck. Closing umbrellas is required after use. The BBQ area will be in use soon. Use of the BBQ without a reservation is not allowed, permits or reservations are required. Those requiring a permit for a large party will be asked to leave a \$25.00 cleaning deposit. Parties are only allowed Monday through Friday for 10 or more. No parties on the weekend, due to the high interest of the BBQ grills on the weekends. **NO** glass contains or alcoholic beverages are allowed on the pool deck. This includes casserole dishes, pot covers, and coffee makers, no ceramic mugs or dishes are permitted. Trash removal and cleaning up after yourself is the resident's responsibility. BBQ operating instructions are posted in the grill area.

On Saturday, December 7th, from 7:30 to 10:30 pm, enjoy a little Jingle and mingle at our holiday dance with DJ Charlie D. This night is extra special as it is the final closing of the Toys for Tots drive sponsored by the Service and Social club. In support of this drive, LOD will have a Golden Ticket raffle for those who donate to the dance. Enter for a chance to win a \$50 Visa card, just in time for the holidays.

On Sunday, December 15th at 8 pm, we will have the greatest Cher Tribute show you will not want to miss. The Cherished show caters to the greatest hits from the legendary Cher. Take a

look at a video of what you can expect. From the costume changes, vocals, and more, you will truly get a Vegas-style show. Tickets will be on sale starting Friday, November 15th in the LOD office. Don't forget to stop by the Pre-Show Bistro in the Large Card room from 6:30-7:30 pm, the perfect social atmosphere before the show.

Our Family Holiday Days schedule has been published in the LOD Times and we can't wait to welcome grandkids and additional family members to LOD during the holiday season.

Ending December with a BANG, you'll want to make sure that you secure a seat at our NYE event on December 31st. We are thrilled to have the full Memory Lane band host this event for us this year. Catch a video of the phenomenal band and more details for NYE on our website, Channel 63, and the LOD times. For those who may not want to attend the event but would like a meal to go, we will also be accepting forms for this.

**MANAGER'S REPORT:** Ron Nolan

I want to reiterate what Jessica stated about the glass on the pool deck. This is the State of Florida's rule. Every community pool in the state of Florida must comply with this rule. The health department is very strict about this rule.

We have been trying to move forward with the sidewalk repair. Due to scheduling, we are now a couple of months out of where we started. We now have 17 locations marked that need repairs. Many of the paving companies have gone up to North Carolina to help with the road rebuilding, and many of the jobs in the Florida area have been pushed back many months. I have also investigated other paving companies, and they said the same thing.

The culvert in the parking lot is being reviewed for repair, it may be able to be repaired rather than replaced. For the shade awning for pickleball, I'm working with two companies now to see if they can accomplish what I would like to see one continuous shade sail. We are making progress on that.

Many of you may have noticed that the Sims Road gate has been malfunctioning. That was due to damage caused by the lightning strike we had a few months ago.

Iguana treatment has been going well, some residents are reporting an improvement.

The pool deck paving should be completed by the end of November. I want to address the moving of pool furniture on the pool deck. The moving of furniture grinds down the feet of the chair. We will be enforcing this rule.

**No New Business:**

**GOOD AND WELFARE:**

Is there anything that can be done about the light at Atlantic Ave? It is very long. There is a trick at night, if you flash your high beams the light will change. Service & Social Food Dive on November 19 & 20th upstairs Clubhouse. Service & Social Meatball Cookoff on Saturday the 16th with a DJ and Dancing, also a Casino Trip scheduled for December 4th.

Why is there not a pedestrian gate on Atlantic Ave? The Board has discussed this in the past. We are unable to use the LWWD property. Why can't we have lights on the Palm Tress year-round? We will investigate this. We cannot manage the trees, we do not have a bucket truck, but we will investigate it.

**The meeting was adjourned at 11:00 AM**

**Kate Cunnion respectfully submits.**
